Dear Chairwoman Granger and Ranking Member DeLauro,

I am requesting funding for the Santa Clarita Valley Multimodal and Resiliency Enhancements Project in fiscal year 2024. The entity to receive funding for this project is Los Angeles County Public Works, located at 900 S. Fremont Alhambra, CA 91803. Requested funding would be used to improve a 1.9 mile stretch of the Old Road between Henry Mayo Drive and Magic Mountain Parkway to improve safety and traffic. This is a valuable use of taxpayer dollars because it will improve safety and traffic flow along a major roadway that serves as a relief valve for I-5

The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133 of the United States Code.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Member of Congress
